A cartoon illustration of a brown house with a red chimney, bare trees, and flying bats, suggesting a spooky or Halloween theme. The house has a steep, dark brown roof with a small circular window at the peak. A red chimney is visible on the left side of the roof. The house has two windows: a single-pane window on the left and a double-pane window on the right. Bare, dark brown trees are in the foreground and background. Three black bats are flying in the sky. The entire scene is set against a white background with horizontal lines.

A vibrant illustration of a night sky filled with fireworks. Three large, stylized firework bursts are the central focus: one in the upper left with yellow and orange streaks, one in the lower left with pink and purple streaks, and one in the lower right with green and blue streaks. The background is a gradient of dark blue to black, dotted with numerous small, glowing stars. A large, bright yellow star is prominent in the upper right, and a thin, white crescent moon is visible in the lower right. The overall style is whimsical and celebratory.
